On 4/28/06 the following document was filed by you: **Notice of Appearance and Request****for Notice**(Document # **90**). In accordance with Local Rule IA 10-2 "Any

attorney who is not admitted to the bar of this court but who has been retained or appointed to appear in a particular case may do so only with the permission of the court." Application for such permission shall be by verified petition on the form furnished by the clerk and the required admission fee. An attorney whose verified petition is pending shall take no action in the case beyond filing the first pleading or motion. In civil cases, attorneys shall have forty-five (45) days after their first pleading has been filed to comply with the provisions. Failure to comply timely with this rule may result in the striking of any and all documents previously filed by such attorney, the imposition of other sanctions, or both.

The required forms for verified petition and designation of local counsel can be found at our web site [www.nvb.uscourts.gov](http://www.nvb.uscourts.gov).

The filing of a Notice of Appearance in a case requires the filing of a Verified Petition along with the required \$175.00. If you were only interested in receiving notice in a case, the Notice of Appearance is not the appropriate document to be filed with the court.
